

Dementia doesn't just affect old people.

One person in this family has dementia but they are all affected.

850,000 people in the UK live with a diagnosis of dementia.

Dementia Friends are holding an interactive, free, information session, to help you gain an understanding of dementia and the small things you can do that make a difference. Questions welcome. Refreshments included.

Friday 29th September, 7 – 8pm

At Wilbrahams' Memorial Hall

Angle End, Great Wilbraham, CB21 5JG
