

Wilbraham River Protection Society
Guided River Walk on Sunday 12TH June 2016

Dear Friends of Wilbraham River

We will be holding our next river walk on Sunday 12th June 2016.

The walk will start at Hawk Mill Farm, Little Wilbraham, and will follow the river to the spring in the grounds of The Temple at Great Wilbraham. We will meet at 12.30pm at Hawk Mill Farm and expect that it will finish around 3.30 pm at the spring.

Please note the following important points if you are considering whether to come:

- We expect the walk will take about 2 hours.
- Parking is available at Hawk Mill Farm. Directions: drive through Little Wilbraham and at the bottom of the High Street take the left hand fork for about a mile, past the Windmill and on to Hawk Mill farm.
- Dogs are welcome on leads.
- The walk will be guided and we ask you to stick to the route at all times.
- You will be walking in open countryside and farmland and not necessarily on marked tracks... some may be boggy. Please bring appropriate footwear and clothing to suit these conditions.
- There may be cattle in the fields that we cross.
- Care is required and dogs and children must be supervised. Committee members will be available to help.
- Please try to keep close to others on the walk.
- Please take care when crossing hazards and particularly crossing the road.
- Please do not feed or touch any cattle on the route.
- Please stay a safe distance from the river at all times.
- The walk is not suitable for buggies, small toddlers or those with restricted mobility.

We are sorry that there seems such a list but walkers must accept that they come at their own risk.

If you would like to join us, please contact our Secretary Rebecca Lomas (01223 811189 or bex@drcr.info) as soon as possible but by Monday 30th May.

Brian Jackson (Chairman)
