

LlamaDrama presents Cinderella

Following our successful production of the *The Wonderful Wizard of Oz* in January, LlamaDrama's next show will be the most popular panto of all,

Cinderella, and we are looking for actors of all ages, but particularly adults.

We shall be holding auditions on **THURSDAY 13th April** and **TUESDAY 18th April**, this year, in the Fulbourn Centre, Home End, Fulbourn, CB21 5BS at **7.30pm**. You only need to come to one of the auditions, but you will be very welcome to come to both.

Performances will take place on **Saturday 6th** and **Saturday 13th January, 2018**, in The Townley Memorial Hall (part of The Fulbourn Centre). There will be matinée and evening performances on both of those days (ie 4 performances in total).

We hope to cast mainly adults for the main parts but suitable younger actors will be considered for those parts, and we will have plenty for the younger ones to do. We want to incorporate a humorous 'Britain's Got Talent' scene into the panto so if any actors (children and adult) have any 'party pieces' they would like to do (eg dancing, singing, magic act, rapping, juggling etc etc), please put yourself forward. The basic script has been written by Andrew Clark but we would like to add scenes to make sure that no-one is sitting around for long periods at a time!

Once the panto is cast, in April, we shall not start the main rehearsals until **THURSDAY 31st August**, so that you can enjoy your summer holidays (and learn your script!), except we shall have the odd rehearsal (to suit the actors) on the stage during the summer on a Sunday afternoon to keep people's interest and to get used to the stage. Rehearsals will then take place **EVERY THURSDAY** (apart from a couple of Thursdays) until just before Christmas. After Christmas, we should be able to get one or two more rehearsals in, then performances will be on Saturday 6th January and Saturday 13th January 2018 (both with matinée and evening performances - ie 4 performances).

Approximate list of characters required: **Cinderella** (of course! - sweet and lovely), **Buttons** (Cinders' friend and a 'good guy'), the **Wicked Stepmother** (horrible and a bully), 2 **Ugly Sisters** - 2 men required (fancy themselves but are ghastly), **Prince Charming** (a bit 'wet' but incredibly handsome) and his pal, **Dandini** (a 'cool dude'), the **Queen** (strong minded but quite nice, really), the **King** (off his rocker), **Fairy Godmother** (likes a tippie), **'Cat'** (conniving but basically a good moggie), various **animals**, the **Herald** (likes to blow his own trumpet a lot), **guests** at the Ball, **singing/dancing/variety acts** for the BGT section (mostly good, one appallingly bad), **other citizens** of the Kingdom in various scenes. Some singing required for some parts.

So, come along in April and look forward to another great show! Any queries etc, please email the Producer, Carole Ransom, at carole.ransom7@googlemail.com, phone 01354 694782 or text/phone 07720 816714.
