

Your Community Orchard Needs You..... again!

Volunteers are needed to help tidy up and look after the trees in the Great Wilbraham Orchard (next to the school)

between 10am and 1pm on Saturday 4th March

Bring your own gloves, loppers, secateurs, and pruning saws, if you have them, and a drink. Come along for a few hours or more, and if you don't have the energy to work, just come for a chat anyway!

There will be cake
