Hilary

Many thanks.

The Common Rights Holders are not a typical club and I am not sure that the questionnaire is ideally suited to us, but I have submitted a response – please see below

N.B. The Common Rights Holders are village residents whose property has rights to graze a cow on the common land. You will probably not be surprised to learn that none of us has a cow, so we manage the common by using a grazier who does run cattle on the land in accordance with common's management regime which is defined by and agreed with Natural England. Therefore it is hard to respond appropriately to some of the prompts and items such as new member benefits are not really relevant because of the way membership is achieved.

I hope this makes sense. If not please let me know and I will find time to explain in more detail.

regards: Stephen

Dear Stephen,

I enclose an invitation letter for members of the Common Rights Holders to attend the Great Wilbraham Annual Parish Meeting and a request for you to fill in a brief questionnaire about your activities- by 17<sup>th</sup> March 2023. The questionnaire will serve instead of the usual requested report and will make it easier for us to collate responses. You will find it on the back of the invitation letter!

Look forward to seeing you.

Best wishes

Hilary Burton
