ANNUAL PARISH MEETING: Tuesday 26th March 7pm for 7.30

Thanks very much for all your work to support the community in Great Wilbraham. We are writing to all organisations to invite you to attend our Annual Parish Meeting and to take an active part in our discussions. **Please let me know who is able to come to represent your organisation.**

We invite you to submit a report before the meeting by completing the form at the end of this email (and also enclosed in case this is simpler). This will help us to understand and describe the various activities in the village, your plans for the future, and any problems you are facing. If you can get your report to me by **Tuesday 19th March**, I will be able to include it in my summary.

We plan an interactive evening, with refreshments. We will follow our usual themes of Village Life, Well-being, Environment and Biodiversity, and Transport, Highways and Cycling. However, many of you already know that, in January, we had an entire meeting devoted to the Transport, Highways and Cycling theme and so will be spending less time on this! We hope to use the meeting to refine and develop our Action Plan for 24/25.

We will invite some of the leaders to introduce their organisations and be ready to answer questions in relation to some of the main themes. I will contact people separately for this.

We look forward to an interesting, enjoyable and helpful meeting and hope you can join us.

Best wishes

Hilary Burton
